

Prentice School District

Social Media Commenting Policy

PRENTICE SCHOOL DISTRICT · Monday, July 3, 2017

All of the Prentice School District's social media pages will focus on celebrating and supporting our schools, communities, students, and staff members, as well as sharing important news and communicating event information. We encourage you to share your support, connect with other supporters, and visit frequently for news and updates.

While everyone is welcome and encouraged to comment, our first priority is to protect students, staff, and community members. Comments and/or posts that do not follow this Commenting Policy may be removed.

We have a zero-tolerance policy for cyberbullying and/or posts or comments that are political, racist, sexist, abusive, profane, violent, obscene, spam, contain falsehoods, are wildly off-topic, or that libel, incite, threaten, or make *ad hominem* attacks on students, employees, guests, or other individuals. We also do not permit messages selling products or promoting commercial or other ventures. Anyone choosing to post participates at his/her own risk, taking personal responsibility for comments, username, and any other information provided. We reserve the right to delete comments or topics and even ban users, if needed. Please, be aware that, in addition to the PSD policies, all content and posts are additionally bound as applicable by [Facebook's Terms of Use](#), [YouTube Terms of Use](#), [Instagram's Terms of Use](#), [Twitter's Terms of Use](#), and/or [SnapChat's Terms of Use](#).

The Prentice School District encourages user interaction on its social pages but is not responsible for comments or wall postings made by visitors to the pages. Additionally, the appearance of external links, as posted by fans/followers of PSD pages or other users, does not constitute endorsement on behalf of the Prentice School District. In most if not all cases, external links posted by fans/followers will be removed.

PSD social media account visitors should not provide private or personal information (phone numbers, email addresses, physical addresses, etc.) regarding themselves or others. Any posts or comments containing personal information of this nature will be deleted.

Simply put, please, interact positively and let's celebrate our students, our staff, and our community!
