Community Input: Erickson talked about how well received Denae's speech was. Nick and Emily presented on their Day at The Capitol and their meeting with our legislators.

Key Actions/Achievements Update

- a. Administrators Report: Kati set up having Mallory and Janet make breakfast and lunch for the junior class during their ACT day and it was well received. Looking into grants for funding key fobs for the weight room. Boys basketball was regional champions and Kali Heikkinen broke a scoring record. Family fun night was well attended. Bahn showed tree pruning, a prom shop was set up in Tamra's room and other activities. The school van is back in working order. We have a "homeless" student from Flambeau that moved in with his sister. The school might have to pay to bus him to Flambeau if that is the school he wishes to attend. Up date on maintenance throughout the school. Hagan fabricated an insert for the table in the conference room using his knowledge in CAD. Mike S found a virtual speech therapist that will sign on for the rest of this year and possible summer.
- b. Principals Report: elementary fun day in conjunction with Dr. Seuss Day was held this month. Testing is starting. The switch with Kindergarten and 2nd grade has gone really well. We are thankful for both of those teachers being so willing.

- c. School Liaison Report: Jonas Staroba reported on the usage of the student lounge, "Someone is always there using it and usually working on school work." Provided us with a print out of the Open Campus Lunch Policy.
